PROJECTS & EXPERIENCE

MCDERMOTT INTERNATIONAL, LTD

IT Intern

Houston, Texas, USA
May - Sep 2025

- Produced AI-driven compliance training videos using AI tools, presenting outcomes to the AI Council and supporting corporate cost-savings initiatives.
- Assessed potential partners for Microsoft Purview implementation, AI compliance training, and data privacy mapping using McDermott's partner assessment framework, while conducting cybersecurity risk analysis on AI platforms, enhancing risk management and commercial awareness.
- Analysed data from 165+ global file servers, using Power BI to visualise trends and identify redundant/obsolete data, contributing to cost optimisation and improved data governance.
- Collaborated with global teams in India and the US on a File Share migration, supporting the creation of an Azure data lake to visualise data in real time and building project coordination and cross-cultural teamwork skills.
- Enhanced governance and compliance by working with Microsoft support and internal teams to implement MS Purview and by restructuring SharePoint governance sites-adding FAQs and optimising content for clarity and usability.

IT PROJECT MANAGEMENT & DATABASE MANAGEMENT PROJECTS

University of Houston

Jan-Dec 2024

- Manage Your Health (IT Project Management, Autumn 2024): Led planning, scheduling, and cost management for a hypothetical Fortune 500 healthcare company; developed critical path, milestones, and risk strategies for a six-month timeline
- SQL Database Project (Database Management, Spring 2024): Executed complex SQL queries in Oracle to generate insights from large datasets; optimised queries and applied aggregate functions and transactions for advanced data analysis

ADDITIONAL EXPERIENCE & SKILLS

VARIOUS RESTAURANTS

Customer Service Roles

Houston, Texas, USA
Jun 2017 - Dec 2024

- Delivered high-quality service in fast-paced environments, developing strong communication, problem-solving, and teamwork skills.
- Trained and mentored new staff, improving efficiency and service standards.
- Managed multiple tasks under pressure, demonstrating adaptability and reliability over 7+ years of employment.
